PROFESSIONAL SUMMARY

Full Stack and Mobile App Developer currently pursuing a B.Sc. in Computer Science and Information Technology. Skilled in building complete web and mobile applications using React, Node.js, Express, and React Native. Delivered real-world projects including a ride-sharing platform, real-time chat app, and a mobile car rental system.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js

Backend: Node.js, Express.js, REST APIs

Mobile: React Native (Android & iOS)

Database: MongoDB, MySQL, PostgreSQL

Tools: Git, GitHub, VS Code, Postman

Design: UI/UX Design, Responsive & Mobile-First Development

PROJECTS

Car Rental Mobile App [[Mobile](#)] React Native, Node.js, MongoDB

- Built a full-featured car rental app allowing users to browse, book, and manage vehicle rentals.
- Implemented user authentication, booking management, and real-time vehicle availability updates.
- Designed an intuitive mobile-first UI with smooth navigation and seamless booking flow.

Ride Sharing Application [[Web App](#)] React.js, Node.js, Express, MongoDB

- Developed a ride-sharing platform connecting drivers and passengers with real-time ride matching.
- Built RESTful APIs for ride booking, user profiles, and trip history management.
- Implemented role-based access for riders and drivers with JWT authentication.

Real-Time Chat Application [[Web App](#)] React.js, Node.js, Socket.io

- Created a real-time messaging app supporting private and group chat rooms.
- Used Socket.io for instant bidirectional communication between clients.
- Designed a responsive chat UI with message history and live online status indicators.

EDUCATION

B.Sc. in Computer Science & Information Technology | Butwal Multiple Campus 2022 – Present

- Coursework in data structures, algorithms, software engineering, databases, and web technologies.
- Applying academic knowledge directly to full stack and mobile development projects.

Intermediate (+2) in Science | Kumudini College Completed

SEE | Holy Care English Secondary School Completed

LANGUAGES

Nepali: Native

English: Professional Working Proficiency
